**TECHNICAL EXCELLENCE SCHOLARSHIP UPDATE**

2017 Wisconsin Act 91 was signed by the Governor on November 30, 2017. This change to TES will allow TES students to receive their scholarship if they are able to enroll for 6 credits or more per semester. The scholar must still maintain at least a 3.0 grade point average or the equivalent as determined by the district school and make satisfactory academic progress toward an associate degree, bachelor degree, or a vocational diploma as certified by the district school. This change also allows the student to regain the scholarship if they bring their grade point average up to a 3.0 and are making satisfactory academic progress. If you have questions concerning eligibility please contact Nancy Wilkison at [nancy.wilkison@wi.gov](mailto:nancy.wilkison@wi.gov) or 608-267-2213.

**VOUCHER REQUESTS**

Requests for second semester are being processed – please make sure to indicate the correct semester on your requests for funds.

**REFUNDS**

**ALL REFUND LISTS MUST BE SUBMITTED ELECTRONICALLY TO THE HEAB MAILBOX.** If you have refunds please submit them (electronically) so we can get the money redistributed. Some schools have been sending in checks without lists and this slows down the process, especially if the student is not enrolled at that school.

**Covenant Grant Program**

Please review your 17-18 notification lists to make sure that you have added the Covenant grant to eligible students' financial aid packages. Please check any transfer students that may be eligible.
