Executive Secretary's Message

There have been a lot of questions, especially from the WAICU schools, about Veterans Tuition Remission. The project requires the three sectors, WAICU, WTCS and UWS, to share data so HEAB can accurately keep track of the total number of credits for each veteran across sectors. Additionally, the programming for this project is complicated. That said, we do anticipate that programming will be completed by the end of October. If students qualify for the program the remission will be for the entire semester, no matter the date we complete programming.

Finally, continued thanks for the work you do for your students. This is a challenging time for everyone. Stay well.

Connie
