HEAB Staff Update

As part of the budget process for the 11-13 biennium, the Wisconsin Covenant Grant is now part of HEAB. Please welcome Molly Vidal as she joins our staff. Molly will be responsible for the Wisconsin Covenant Grant and will be moving into our office the week of August 1st. You can reach her at molly.vidal@wi.gov or 608-261-7534.

WHEG-UW, WHEG-Tech, and TG Shortfall

The shortfall that occurred in the WHEG – UW grant, WHEG - Technical Colleges grant and Tuition Grant has been solved. The WHEG - Technical College and Tuition grant shortfalls were addressed in a 13.10 session held on Tuesday, July 19th. The Joint Committee of Finance approved the request and we are waiting for processing to occur through the Dept of Administration. Once that process is complete Barb will be letting you know that the transactions have been loaded to your folder on our secure site. The WHEG UW shortfall was taken care of at the beginning of June and you should all have your disbursements and funding. Thank you so much for all of your patience during this process.

Notification List Processing Problems

We've had processing problems with the notification list since the run on June 29th. The problems that we have identified include – covenant scholars and foundation codes switched, missing TYPE filed, badly formatted number fields. The problems have been corrected and the files have been recreated from June 29th and replaced in your secure folders. The files from the notification run on July 6th and July 12th have also been corrected. Please let us know if you encounter any further issues, we appreciate your feedback!

Final notification list for 10-11 should be sometime next week.

Voucher Processing for 11-12

The first voucher for academic year 11-12 will be August 9th. You may begin to submit requests on Wednesday, August 3rd for the fall term.

The Covenant and Foundation Scholar voucher will be run on August 23rd.
